

Quarter Midget Race Car for Sale

N/C Chassis Extreme 02

This car had the track record for heavy Honda in Toledo.

The frame was just powder coated in the spring.

I will supply setup records for various local tracks.

Comes with a pit cart and spare parts.

The car is race ready and you can be very competitive right from the start.

We are selling the car to move up to a Legends racecar.

If you are interested please let me know.
